Name The euphonium is in the family of brass instruments, more particularly low-brass instruments with many relatives.

Adherents to the idea, following a theory first proposed by Munro Edmonson[76] alleged that the Maya based their calendar on observations of the Great Rift or Dark Rift, a band of dark dust clouds in the Milky Way, which, according to some scholars, the Maya called the Xibalba be or "Black Road". But the theme of the assemblage also becomes a metaphor for the language of contemporary architecture as the place of the fragmentation. But, miraculously, the wounded dog not only survives, but flourishes.
